BOOK SYNOPSIS

In a sumptuous Newport Mansion... Gillian Mahler has a plan—take the job as soap opera star Lara Cordays personal assistant. Maybe she can endear herself to Lara first, then spring the news that Lara is her birth mother, who abandoned her as an infant twenty-eight years before. Trace Sutton has a plan, too—work undercover as a bodyguard, posing as Lara Cordays gigolo. Maybe then he can discover the identity of the faceless stalker who wants Lara dead. In Laras sumptuous mansion high on a cliff above Newport, Rhode Island, Gillian and Trace meet—and attraction sparks right away. This certainly complicates their plans. Gillian cant possibly allow herself to fall for a man whos her long-lost mothers lover, and no way can Trace blow his cover as bodyguard—especially when some sleuthing reveals that Gillian has an excellent motive for murdering the woman hes guarding!
