## BOOK SYNOPSIS

A poignant tale of hope and healing -- a classic love story from a true master of unforgettable, emotionally rich romantic fiction, New York Times bestselling author. Caitlin OShannessys late father left her with many things: a Colorado ranch, enduring memories of pain and sadness, an unshakable mistrust of men ... and an adversary. Ace Keegan has returned to No Name, too late to enact a rightful vengeance on his most hated enemy. The man who put a hole in Aces life is dead, leaving a daughter behind to run the family enterprise. Though proud and strong as well as beautiful, Caitlin is caught off guard when Aces calculated anger inadvertently destroys her good name. But Ace Keegan is a man of honor, determined to make amends by marrying the enchanting lady he wronged -- and to nurture with patience and love the light she guards in her damaged heart until it blazes with the power of a thousand suns.
