BOOK SYNOPSIS

Flash fiction, sudden fiction, micro-fiction, ultra short fiction - call them what you will, these twenty wry and witty short stories examine change at every stage of life, in a natural progression from birth to death. Mostly lighthearted, but often moving too, this collection is written with an admirable economy of style. Ranging from a spartan 100 words to the relative luxury of 1,000, they combine sharp observation of contemporary English life with gentle humor, profound affection for the social quirks of the authors native country, and the odd dark rumbling undertone. Plenty of surprises emerge along the way, from twists of magical realism to whimsical wish-fulfillment. **BONUS MATERIAL:** The paperback edition contains two new stories that were not in the original e-book edition, but were originally published in national flash fiction anthologies.

MARRY IN HASTE 15 SHORT STORIES OF DATING LOVE AND MARRIAGE -
